

Email Invitation Privacy statement

This project is being conducted by UNSW Global Pty Ltd. Personal information collected by UNSW during the project will be disclosed by UNSW to UNSW Global and managed in accordance with the UNSW and UNSW Global's Privacy Policies and applicable privacy laws. To register to participate in the project, you will be required to consent to UNSW providing to UNSW Global certain personal information (including your academic and English entry data, as well as the course results from the first year of your degree program).

More information is available in the privacy statement and consent available as part of the registration process.
